## FAST COMPANY

Library's internet  
upload speed keeps  
pace with video pro's  
demanding schedule

**C**harles Egerton of Newport leads a pretty busy life.

The freelance producer-director-writer-videographer-editor-photographer directs, writes, shoots and narrates commercials and documentaries and operates the camera for live stage events and sports webcasts, including the

Cincinnati Reds scoreboard at Great American Ball Park.

Mr. Egerton is also a Fort Thomas Branch regular, where he sometimes uploads his video productions. It's an arrangement that works out so well that the 30-year professional recently tweeted his satisfaction.

## The book's always better, right?

### BOOKS TURNED INTO MOVIES

**Cell** by Stephen King

**Publisher comments:** The next call you take could be your last in this terrifying No. 1 *New York Times* bestseller soon to be a major motion picture starring Samuel L. Jackson and John Cusack. Devastation awaits humanity by a phenomenon that will come to be known as The Pulse, and the delivery method is everyone's cell phone.

**The Jungle Book** by Rudyard Kipling

**Publisher comments:** Imagine growing up among wolves, being friends with a panther and a bear and hunting the most fearsome animal in the wild, the tiger Shere Khan. Kipling portrays the exciting and adventurous jungle upbringing of Mowgli in this classic whose recent film remake was a No. 1 box office hit.

**The Finest Hours: The True Story of the U.S. Coast Guard's Most Daring Sea Rescue**

by Michael J. Tougias and Casey Sherman

**Publisher comments:** It's 1952 and two oil tankers get caught in a violent storm off Cape Cod. Back on shore, four young Coast Guardsmen who must save the lives of the seamen, and they have to do so in a tiny lifeboat.

**The Little Prince**

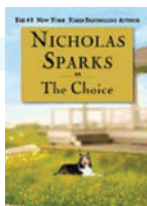

by Antoine de Saint-Exupéry, translated by Richard Howard

**Publisher comments:** An aviator whose plane is forced down in the Sahara Desert encounters a little prince from a small planet who relates his adventures in seeking the secret of what is important in life.

**The Choice** by Nicholas Sparks

**Publisher comments:** Spanning the eventful years of young love, marriage and family, *The Choice* ultimately confronts us with the most heartwrenching question of all: how far would you go to keep the hope of love alive?

**Pride and Prejudice and Zombies**

by Seth Grahame-Smith & Jane Austen

**Publisher comments:** The beloved classic is now a major motion picture starring Lily James and Sam Riley. It is universally acknowledged that a zombie in possession of brains must be in want of more brains. So begins *Pride and Prejudice and Zombies*, an expanded edition of Austen's novel featuring all-new scenes of bone-crunching zombie mayhem.

## We suggest

### LIBRARY STAFF RECOMMENDATIONS

**Reconstructing Amelia**

by Kimberly McCreight

*Reconstructing Amelia* is a compelling story about a successful professional single mother who learns her academically gifted daughter is being suspended for cheating at a prestigious girl's high school. When Kate arrives at the school, she is told Amelia jumped to her death. Kate is consumed with guilt and grief, and then she gets an anonymous text: She didn't jump. Now Kate will go to any length to find the truth. This page-turner has surprising twists and turns as Kate pieces together the last days of Amelia's life. This is a story of secrets, friendships, loves, betrayals, bullies, manipulation and ultimately, how seemingly inconsequential decisions can have enormous consequences. Fans of Gillian Flynn's *Gone Girl* will find this debut novel by Kimberly McCreight just as gripping, suspenseful and surprising.

— Kiki Dreyer Burke, PR Manager

**The Cuckoo's Calling**

by Robert Galbraith

Cormoran Strike, after losing his leg in Afghanistan, returns to London to run a not-very-successful P.I. business with his new assistant, Robin. His next case is the high-profile supposed suicide of the famous model, Lula Landry. Not like other mysteries, the lovable Strike will keep you coming back for more!

— Cassie Fischer,

Circulation assistant, Carrico/Fort Thomas

**Warm Bodies**

by Isaac Marion

A zombie who yearns for a better life ends up falling in love – with a human – in this astonishingly original debut novel (that was also a movie).

— Deanna Pina,

Adult/Teen Services Programmer, Cold Spring

**C**old Spring Branch regular Naomee McKiddy, 19, was at last year's Teen Summer Lock-In and is planning to be back for this year's, 7 pm Friday, June 17 to 7 am Saturday, June 18. She agreed to spill the beans with an account of last year's Lock-In goings-on:

"I thought I'd be exhausted, but playing games and having fun with my friends was enough to keep me awake the whole night," Naomee revealed. "That and maybe the soft drinks."

**Naomee McKiddy**

"It's like an extended game night. Since we have longer than the usual three hours, we can play games that take a bit more time like Dungeons & Dragons. Board and card games like Werewolf are my favorites. I'm very thankful for the librarians who host this event. They're the real MVPs."

Other sources indicated plenty of contests, prizes and a rousing game of modified bowling using a big, blue rubber ball and cardboard boxes for pins. Later, kids sat in the boxes. Also, reports of rampant pizza, cookie & veggie consumption have been confirmed. Sleep? Not so much. In other words, good, clean, silly (and, yes, chaperoned) fun. What awaits this year? Register & find out!

## Speed Continued

"Just uploaded 6.8 GB of video in 30 mins. Would have taken 6 hrs or more at home. Thanks @campbellkylib #librariesROCK," Mr. Egerton, or, @CharlesNKY, tweeted.

@CharlesNKY stands by his tweet. It came when he was compiling 25-30 videos for families of high school athletes so they could have personal copies without having to go through YouTube. Not wanting to spend half the day at home on the task, he tried the Library and was done in a half-hour.

Mr. Egerton noted that while a local telecommunications company recently doubled its internet speed, "it still doesn't match what goes on here."

"I'm a big fan of libraries," he said. "It's always nice to find something else there you didn't know about."

Mr. Egerton actually has cards for three other libraries along with CCPL. His busy schedule means he's moving around a lot. He has used the Library for online classes and programs as well. "The one thing I don't do is check out books," he laughed.

The Library's fast internet is available for all patrons. All Branches provide a free wireless hotspot in all public areas. Any wireless device with a web browser should be able to use it.

In addition, each branch provides free access to computers (18 @ Cold Spring, 16 @ Carrico/Fort Thomas and 28 @ Newport) with internet access. You must have a library card and PIN to log on and they are available on a first-come, first-served basis for as long as you need unless there's a waiting list.

# 1,000 Books Before Kindergarten

**R**eading is one of the most powerful ways to boost your child's brain power. Children hear the sounds letters make and develop a bigger vocabulary.

The Library's 1,000 Books Before Kindergarten program is a fun and exciting way to start your child on the path to success! It's open to all children from newborn to five years and participation is free! Here are the simple steps:

**To begin:** Stop at any branch to pick up a paper log or download the 1,000 Books Before Kindergarten app available for Android and iOS users.

**Track your reading:** Fill in a circle for each book you read with your child on your reading record or record it with the app.

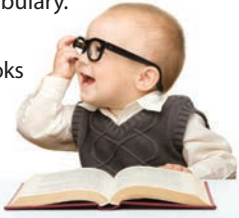

**Every book counts:** If your child wants to hear the same book again and again, you can count it each time. You can also count the books your child hears at Library programs, daycare or preschool or with a friend or family member.

## 100-book milestones:

For the first 100-book log you complete, you will receive a sticker and a special reading passport. For each additional 100-book log you complete, you will receive a sticker and the prize listed in the reading passport. We will stamp the passport each time your reach a reading milestone.

**1,000 books:** You did it! Come celebrate at the Library, receive your certificate and a free book!

Visit [cc-pl.org/1000-books-kindergarten](http://cc-pl.org/1000-books-kindergarten) for details.
