## Access Comics Plus: Library Edition Through Your Browser

View titles through your Web browser on any computer, tablet, or smartphone with an Internet connection.

1. Go to your library's website and follow the link for Comics Plus: Library Edition. Select **Create New Account** or **Log in** in the upper-right-hand corner. (An RBdigital Gateway account is required to check out and view comics and graphic novels. You may create a new account here or log in with the credentials you've created for another RBdigital product, such as Zinio for Libraries.)
2. **Browse over 16,000 titles** by genre, publisher, or title, then check out your favorite comics and graphic novels.

## Install App from App Store

### Comics Plus: Library Edition is available through the Apple App Store.

To use the iOS app, you must first set up an RBdigital Gateway account through your library's website. Once this account is set up, you may access the iOS app by following these instructions:

1. **Search** for "Comics Plus Library Edition" in the **Apple App Store** and install the app.
2. **Select** the Comics Plus: Library Edition icon on your device's home screen.
3. **Select** your home library.
4. **Log in** with the same email and password used to create your RBdigital Gateway account.

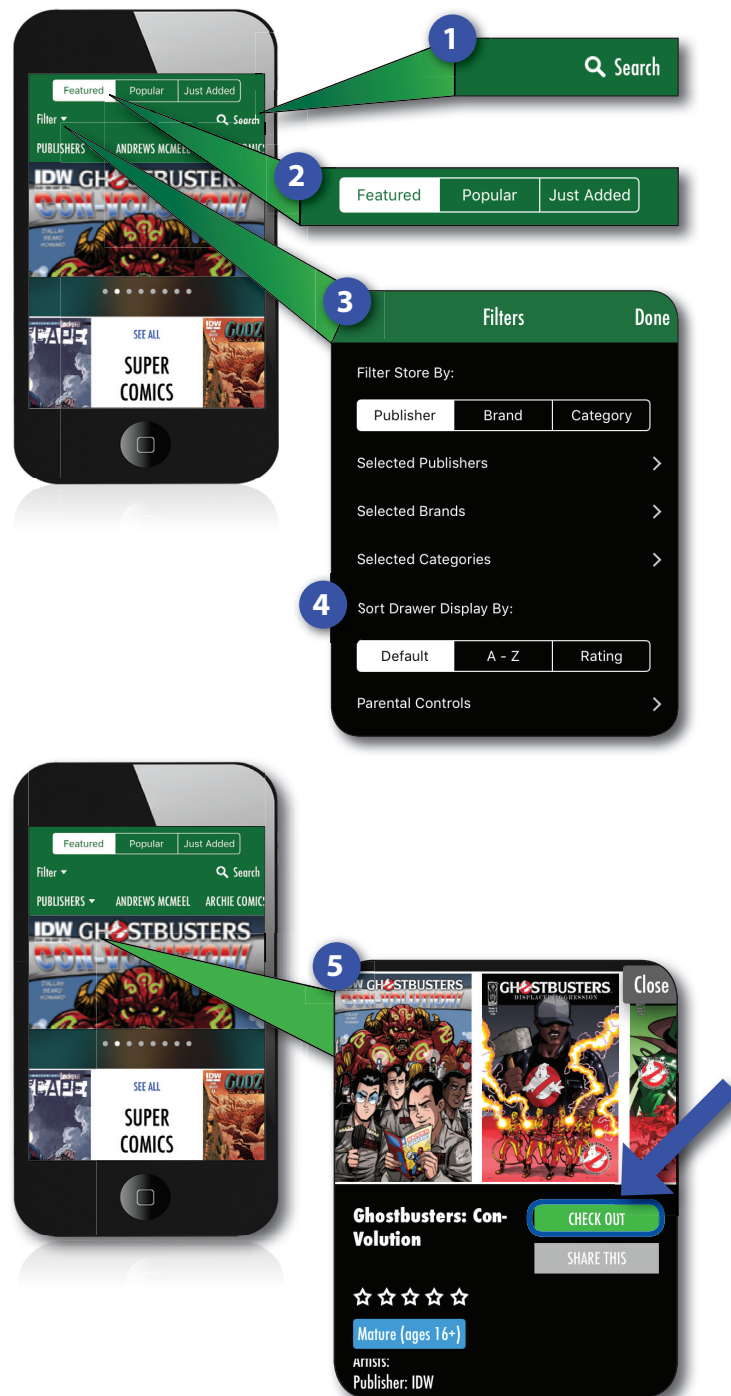

## Check Out and Read Titles Through the App

### Log in with your RBdigital Gateway account.

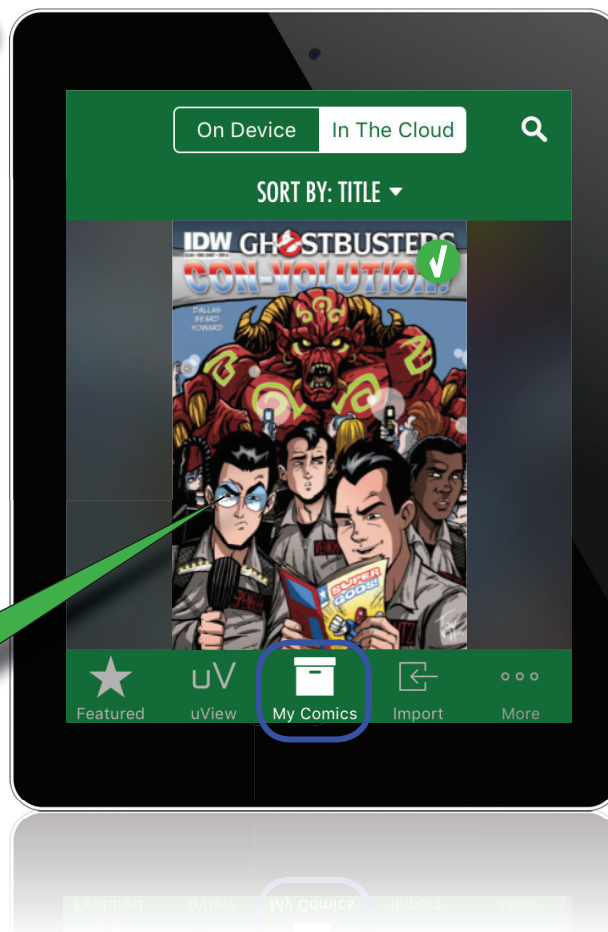

1. **Search** for and check out as many comics and graphic novels as you want.
2. **View** by Featured, Popular and Just Added.
3. **Filter searches** by Publisher, Brand and Category.
4. **Set display preferences** by alphabetical order and rating.
5. **Check out** titles from app and download for reading offline.

## Read and Share with the App

1. Tap on **My Comics** and select **On Device** to open downloaded comics. Select **In The Cloud** to download other titles in your account or to check out expired titles.
2. Read page by page and **zoom** into panels for detailed viewing.
3. **Share** with friends via email or text message. After receiving a message, your friends can check out the same comic or graphic novel (after logging in or creating an account).

7. **Preferences** for title notifications.
8. **Parental Controls** for youth access, including the option for the parental passcode setting.

### Need additional help?

Ask at your reference desk or click on the **HELP** link on your library's Comics Plus: Library Edition page. Thank you for enjoying Comics Plus: Library Edition!

## Install App from App Store

### Comics Plus: Library Edition is available through the Google Play Store.

To use the Android app, you must first set up an RBdigital Gateway account through your library's website. Once this account is set up, you may access the Android app by following these instructions:

1. **Search** for "**Comics Plus Library Edition**" in the **Google Play Store** and install the app.
2. **Select** the Comics Plus: Library Edition icon on your device's home screen.
3. **Log in** with the same email and password used to create your RBdigital Gateway account, and **select** your home library.

## Check Out and Read Titles Through the App

**Log in with your RBdigital Gateway account.**

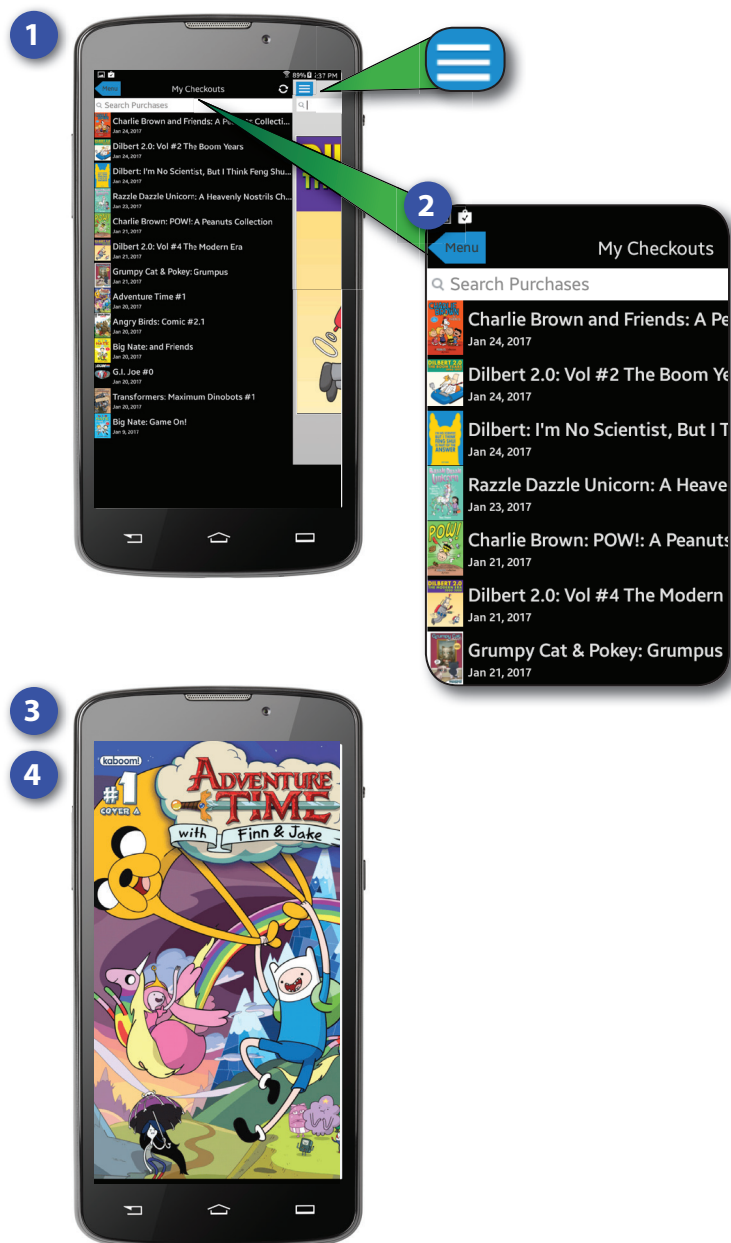

1. **Browse** for and check out as many comics and graphic novels as you want.
2. **View** by Featured, Popular and Just Added.
3. **Check out** titles from the app. **Select** "continue browsing" or "read now" to stream through mobile browser.
4. To return to app to download, **select** the window button (left of device home button).

## Read and Share with the App

1. **Tap**  to open Menu and My Checkouts to select comics to download.
2. **Select** My Downloaded Comics and select downloaded comic.
3. **Tap** the comic and read.
4. **Tap** the screen and select Done to close.

## Comics Plus: Library Edition App Menu

1. Tap  to open Menu.
2. **My Downloaded Comics:** Comics stored on device and ready to read offline.
3. **My Checkouts:** Your online (in the cloud) and downloaded (on device) titles.
4. **Downloads:** Titles currently downloading.
5. **Feedback:** Support email address, account information and preferences.
6. **Browse:** Title browsing and checkout of additional titles.
