1,000 BOOKS BEFORE KINDERGARTEN

Here are just a few of the many Cam's Cubs who got a head start by reading 1,000 Books Before Kindergarten.

Your newborn, infant or toddler can join the club too! Pick up a 100-circle chart to track how often you read to your child. Your child can earn stickers and prizes while developing a love of learning.

To find recommended books, search "books before kindergarten" in the Library's catalog. Find children's books by author's last name in the children's section of the Library.

See details at your local branch or at www.cc-pl.org.
