STEP 3

After you borrow a title, you can:

- Send a Kindle Book (U.S. only) to your Kindle device or Kindle reading app.
- Read, watch, or listen to a title right in your browser.
- Download an eBook, then read it using free Adobe Digital Editions software or transfer it to a supported eReader.
- Download an audiobook, then listen to it using OverDrive's free desktop app for Windows or Mac or transfer it to a supported MP3 player.

NOTE: Digital formats and titles vary by library, and some enjoyment options may not be available for every title.
