Exhibitions of hope and humanity

This month, the library brings you two exhibits that present important stories in history.

Her Story Must Be Told: Women's Voices from the Holocaust, Oct. 1-31 at Carrico/Fort Thomas with a

smaller display at Alexandria, presents memories, photos and stories of 15 Jewish women who survived the Holocaust. The women are from 12 countries, reflecting different survivor experiences.

Telling A People's Story, a traveling panel exhibition Oct. 16-Dec. 3 at Newport, presents African-American children's literature featuring art produced for book illustrations.

Exhibits, continued from the cover

Telling a People's Story offers a lens into the cultural, historical and social makeup of African-American cultural identity while also shedding light on the long-neglected world of African American authors and illustrators in the pantheon of children's literature. The exhibit is organized by Miami University Art Museum

through a grant from the Martha Holden Jennings Foundation.

Viewers of **Her Story Must Be Told** will gain an appreciation of the unique ways of survival: fighting in the resistance, living in hiding with false identity and enduring

concentration camps. Collectively, the stories of sisters, daughters, mothers, wives and friends celebrate women's strength and valor. The exhibit is presented by The Center for Holocaust & Humanity Education.

Both exhibits are free; no need to register..

Report to the Community

Midpoint update on our Five-Year Plan

By JC Morgan, Director

In 2016, Campbell County Public Library took a long, ambitious look ahead with the release of our Five-Year Strategic Plan. The plan has nine main topics with 48 individual goals divided between them. We decided to do a review of our progress for our annual Report to the Community.

Each goal was rated individually on a scale of 1-5 to assess the level of accomplishment. We're about halfway through the five-year plan, and we're happy to report that in all nine categories we are on track or slightly ahead, with an overall average score of 3.89 out of a possible 5.

The chart below illustrates the nine categories, and the correlating ratings.

We rated progress on each goal on a 1-5 scale, with 5 being "goal completely met." Through 2 ½ years, each category rates at least 3.4 out of 5 with 2 ½ years left on the plan.

HIGHLIGHTS

In our view, the biggest accomplishments of the past 2.5 years have been:

1. The opening of two Express locations in Melbourne and Silver Grove.

Patrons can use our app or go online to place holds and their materials are delivered to the Express location of their choice for pick up. All library materials may be returned to those locations as well.

2. Opening the Alexandria Branch, a limited service facility, in 2018.

Even though we own land in southern Campbell County, plans to open a full-size branch there were not successful in 2012. Since the population density of southern Campbell County continues to grow, we rented space at 8333 Alexandria Pike and opened a branch with a smaller collection and limited hours and programming.

3. Expanding our presence in the community through outreach events and partnerships.

This effort has produced enormously popular children's summertime events such as Jolly Thursdays and Tower Tuesdays, and partnerships with the Campbell County Historical Society, Campbell County Parks and Recreation, the Extension Office and others.

4. Creating two long-lasting endeavors that significantly impact the community.

The annual Drop Your Drawers @ the Library fundraiser collects clean underwear and socks for children in public elementary schools. The newest campaign is a partnership with each of our school districts to bring Dolly Parton's Imagination Library to all young children in Campbell County.

5. Working closely with schools.

We visit classrooms, provide technology outreach and after-school programs, start coding clubs and take build-the-computer Piper kits to schools (above). We also provide programs for homeschool students. In 2016, we had one homeschool program in the entire system, and now, we have six homeschool programs, at least one at all four branches.

Win-Win for Campbell County

Partnering with schools and community organizations make Campbell County stronger and better. It's a win for us, the schools and organizations, and a win for the people who live and work in our county.

Drop Your Drawers – going into its 5th year – continues to thrive thanks to the incredible support of the community. The second year of the campaign, Drop Your Drawers expanded to libraries throughout Kentucky. We started working with Dav Pilkey, author of *Captain Underpants* books, to help promote the campaign. Now, the campaign is going national, and Mr. Pilkey has generously agreed to allow libraries nationwide to use the Captain Underpants image for Drop Your Drawers campaigns to benefit children and to promote reading.

New this year, in partnership with local schools and the Dolly Parton Foundation, we've formed the **Campbell County Imagination Library**. Parents can sign their young ones up to receive a free book in the mail every month until age 5. Register online at www.cc-pl.org/imagination-library or pick up a form at the library.

Overall

Thanks to community input, we've come a long way since 2016. Of course, we're also only halfway through the five-year period of the plan. That so much has been done already is a testament to the commitment we made to you. To see a copy of the plan, go to www.cc-pl.org/five-year-plan-2016.
