Code of Ethics

The Campbell County Public Library District Board of Trustees strives to maintain the highest moral standards in the administration of the Library District. All trustees affirm that they:

- Observe ethical standards with truth, integrity and honor;
- Avoid situations in which personal interests might be served or financial benefits gained at the expense of the library or its users;
- Excuse one's self immediately whenever there is the appearance of a conflict of interest;
- Ensure their personal philosophies or interests do not interfere with their administration of the Board or their support of its decisions;
- Respect the confidential nature of library business while being aware of the applicable laws governing freedom of information;
- Support to the fullest the efforts of librarians in resisting censorship of library materials by groups or individuals;
- Accept and perform all of the duties and functions of the position of Trustee;
- Listen and respect the opinions of other board members, never criticizing other board members for their opinions;
- Recognize that authority lies only within legal meetings of the Board and not with its individual members;
- Keep the Board informed of relevant information that would be of interest to all of its members;

- Take advantage of opportunities for continuing development.

Conflict of Interest Statement

The Board of Trustees of the Campbell County Public Library strives for open and transparent governance of the library, the administration of the public's funds, and the conduct of the library's business. As such, each board member and the Library Director annually disclose in a written form any affiliations to business, political, or other interests which could influence his/her decision-making in matters pertaining to the administration of the library's business regardless of whether personal gain is a factor.

Board members must exclude themselves from individual decisions or actions of the Board where such a conflict of interest would be a factor. A board member with an ongoing conflict of interest that would preclude his/her participation in many aspects of the library's administration may choose to resign. The Board may choose to inquire about any disclosed affiliations.

As a part of the library's annual financial audit, the auditing firm will collect information from board members regarding any conflicts of interest that might exist.

Fiscal Responsibility

Created 15 May 2012
Revised 18 Oct 2017
Reviewed 16 Oct 2019

The staff and board positions of the Campbell County Public Library should not be used for personal gain. The members of the Board and the employees of the library are to remain objective in their duties and responsive to the needs of the public they serve. Accordingly, the staff members and board members must maintain the highest commitment to their responsibilities as stewards of the library.

District Funds

All District funds are defined as "Public Funds." This includes, but is not limited to, all sums actually received in cash or negotiable instruments from all sources, whether or not the money has ever been deposited into a library account. Any money controlled by the library, including gifts, fines, fees and all funds received from any source, are considered "public funds" and are governed by this policy.

Personal Use of District Assets

Neither a staff member nor any board member will use or permit the use of the library's funds, vehicles, equipment, telephones, materials or property for their own personal benefit or profit. Neither the Director nor a board member will ask or require a library employee to perform services for personal benefit. The Director and all board members will safeguard the library's property, equipment, moneys and assets against unauthorized use or removal, as well as from loss due to criminal act or breach of trust.

Segregation of Fiscal Duties and Internal Controls

No one person should control or perform all key aspects of a transaction or financial event. Segregation of duties is an important internal control that helps detect errors in a timely manner and deters improper activities. Internal controls instituted by the library will assist the Board in maintaining adequate fiscal oversight of the expenditure of the District's funds.

The library shall institute a system of internal controls and a segregation of duties which will meet or exceed the 32 guidelines outlined in the *Kentucky Auditor of Public Accounts - Recommendations for Public and Nonprofit Boards* (March 2010 revision). The adequacy of these guidelines and the library's compliance efforts should be reviewed after each audit and as otherwise needed. Procedures shall

be modified to correct any deficiencies discovered during regular audits or at any other time. These Recommendations are available at:

<https://auditor.ky.gov/cpatools/Pages/32BoardOversightRecommendations.aspx>

Policy enforcement and violations

Any alleged violation of this policy on fiscal responsibility by the library's staff shall be investigated by the Director. If an actual violation is determined, actions will be implemented appropriate to the degree of violation, up to and including termination.

Any alleged violation of this policy on fiscal responsibility by the Director shall be investigated by the Board, or by a committee appointed by the Board for this purpose. If actual violation is determined, the Board shall impose sanction appropriate to the degree of violation, up to and including termination.

Any alleged violation by a board member shall be investigated by the remaining board members. If actual violation is determined, the Board may impose sanction as warranted, up to and including requesting the resignation of the board member. At the option of the Board, and in accordance with KRS 65.007, the Fiscal Court may be requested to initiate removal proceedings for any board member found in violation.

The Library District reserves the option of reporting any significant violation of this policy on fiscal responsibility to appropriate law enforcement agencies for investigation and possible prosecution.

Appointment of Board Members

Created 21 Feb 2006
Revised 19 Mar 2013
Reviewed 16 Oct 2019

Board Diversity

The Board recognizes the need for diversification among its members so that a variety of segments and interests within the population are represented. The Board also requires (as mandated by KRS 173.725) that its members represent all of the geographical regions of the county. Special attention will be given to developing an array of professional experience that will benefit the Board's decision-making abilities.

Postings and Applications

All Board openings will be posted. Postings will include any specific interest(s) that the Board expects of the applicants, the geographical area that requires representation, and the term of office.

Selection Committee

The Board will nominate a Board Member Selection Committee for reviewing all applications. This Committee will be responsible for interviewing selected candidates and submitting the names of two qualified individuals to the full Board for approval.

Submission and Approval

With the Board's approval, the Library Director will submit the names of the selected candidates to the State Librarian for review. The State Librarian verifies the applicants' contact information before sending the names to the County Judge-Executive for appointment. Appointments will be made by the Judge-Executive and approved by the County Commissioners. By statute, the Judge-Executive may only choose from the names that are submitted by the library's Board.

Until such appointment is made, the current board members continue to serve in their present capacities and offices or the position remains unfilled.

Oath of Office

All incoming board members will be sworn in by the County Judge-Executive or by a qualified and approved notary public of the Commonwealth of Kentucky.

Open Meetings and Open Records statement

Each board member, upon appointment, must sign a document that is provided by the County Judge-Executive which details the board member's receipt and support of Open Records and Open Meetings laws.

Termination

Board members are appointed by the Judge-Executive and may not be removed by a decision of the Board itself.

Resignation

A board member may resign at any time. If a board member resigns, the Board will agree upon a procedure for filling the position. The incoming board member would, however, only serve the remaining term of the outgoing board member. The incoming board member would be eligible to serve up to two more terms, if appointed.

Resignation by non-attendance

A board member who fails to attend four Board meetings during a calendar year will automatically be determined to have resigned from the Board. In such case, the Board will notify the State Librarian and the County Judge-Executive. The Board will then begin procedures to fill the vacant position.

Public Statements

The Board employs and supports the Library Director as the public relations official for the library. In special cases, the Board may choose to limit the Director's statements or ask for prior approval.

In some cases, the Board itself may choose to issue statements on behalf of the library. Generally and where feasible, such statements should be coordinated with the Library Director's input. If the Board chooses to make public statements, remarks should be communicated by the President of the Board.

Staff members of the library have the ongoing opportunity to file formal grievances with the Board. The Grievance Policy is contained in the Personnel Policies of the library. The Board should ensure that the staff member has completed all of the steps outlined in the Personnel Policies before a grievance hearing is granted.

Tax Rates

Created 21 Feb 2006
Revised 16 Nov 2016
Reviewed 16 Oct 2019

The library receives revenue from taxes collected as a special purpose government entity. The library sets its tax rate pursuant to KRS 132 and the 2015 Kentucky Court of Appeals' ruling in *Coleman, et al vs. Campbell County Public Library*.

The tax rate is proposed each year based on tax revenue projections provided by the Kentucky Department for Libraries and Archives. These projections are based on the value of property as assessed by the Campbell County Property Valuation Assessment office and certified by the Kentucky Department of Revenue.

The timeline for the certification process is addressed in the Kentucky Revised Statutes. The Board, by statute, may not set the library's tax rates until the property values have been certified by the Kentucky Department of Revenue.

Separate tax rates are determined for:

- Real Estate;
- Personal Property;
- Motor Vehicles and Watercraft.

Legal Posting

The library's attorney will ensure that appropriate legal postings are placed in the library's paper of record concerning all matters related to setting the tax rate according to KRS 132 and KRS 65A..

Tax Rate Hearing

The tax rate hearing, where necessary, is a public meeting and is conducted in accordance with KRS 132 and KRS 65A.

Reporting of Tax Rates

The Library Director and Library Attorney will ensure that the library's tax rates are reported to the appropriate state and local government entities as required in KRS 132 and KRS 65A.

Annual Budget

Created 21 Feb 06
Revised 19 Mar 2013
Reviewed 16 Oct 2019

The annual budget is created by the Library Director. The Board appoints a committee to review the proposed budget in detail with the Director. The Board will approve the finalized budget each year.

Annual Audit

Created 21 Feb 2006
Revised 15 Oct 2014
Reviewed 16 Oct 2019

The Board employs an independent accounting firm certified to conduct an audit of the library's finances using current governmental accounting rules and standards for each fiscal year.

Auditor Selection

The Board will approve the accounting firm used for this service each year. The library will solicit bids for a new accounting firm to conduct the audit on a five year cycle. When possible, the accounting firm selected at the end of the cycle should not have conducted the library's audit during the previous five year cycle. If the same accounting firm is selected for consecutive cycles, the lead auditor assigned to the library's account should be changed.

Auditor's Duties

The accounting firm will:

- Conduct tests of the library's accounting practices for weaknesses in any controls;
- Evaluate the library's financial status including all liabilities and assets (both financial and physical);
- Create a written report on the library's financial status;
- Review and provide a report on the expenses related to the Library Director.

Auditor's Report

The Board will approve the final report of the auditor. Copies of the report will be kept in the library's Business Office and will be made available to interested parties or individuals as required. Each board member will be given a copy of the final report. A copy of the final report is available on the library's website and provided to the Department of Local Government.

Professional Assistance

Created 21 Feb 2006
Revised 15 Oct 2014
Reviewed 16 Oct 2019

The Board may occasionally retain the services of a contracted professional to advise or provide expertise in a particular area. This may include:

- Special legal counsel;
- Architects;
- Financial auditors;
- Other special services.

When the Board retains such services, communication with the contracted agent should be delivered through the Library Director or the President of the Board in order to avoid excessive billable charges for services.

The Board may also seek the professional assistance of the Regional Librarian and other individuals employed by the Kentucky Department of Libraries and Archives (KDLA).

As a general rule, specialized services do not have to go through a request for proposal process. The Board (or the Library Director at the direction of the Board) may choose firms/individuals capable of meeting the Board's needs and present those to the Board for their selection and approval.
