

## DIY Tutorial: Fire-Breathing Dragons

\*This craft idea is from Debbie Chapman at <https://onelittleproject.com/paper-roll-dragon-craft/>.

### Materials Needed:

- 1 toilet paper roll
- 1 green piece of construction paper
- 4 green pom poms, 2 medium and 2 small
- 2 adhesive googly eyes
- 3 scraps tissue paper red, yellow and orange
- 1 glue stick

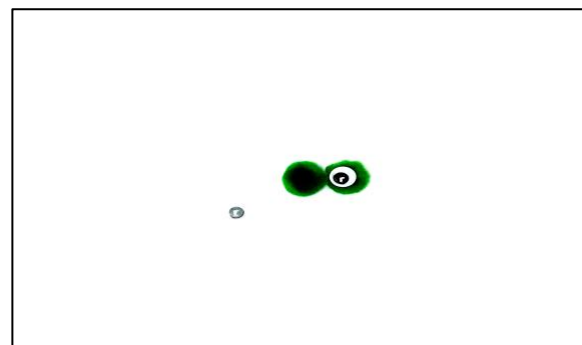

Step 1: Cut a green piece of construction paper to fit the toilet paper roll and glue it on.

Step 2: Peel back the sticker on the adhesive googly eyes and attach them to the medium-sized pom poms.

sticker on the adhesive

Step 3: Glue the pom poms, with the eyes, onto the toilet paper roll.

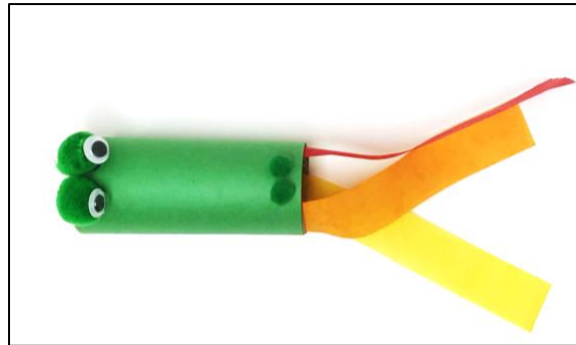

Step 4: Glue the two of the roll for the nostrils.

small poms at the end

Step 5: Glue the tissue paper flames to the inside of the tube, near the nostrils.

Step 6: Blow through the end of the roll to make it look like the dragon flames are coming to life!
