

## DIY Tutorial: Fourth of July T-Shirts

### Materials Needed:

- 1 T-Shirt
- Fabric Markers
- Stencils *\*optional*

Step 1: Use the stencils and the fabric markers to create your t-shirt design. You can also skip the stencils and use your imagination!

Step 2: Set your new design by placing your shirt in the dryer, on the hottest setting, for 30 minutes.

Step 3: Celebrate our country and wear your new shirt with pride!
