## We suggest

### STAFF RECOMMENDATIONS: TAKE YOUR MIND ON VACAY WITH THESE BEACH-READ-APPROVED BOOKS

#### *A Study in Scarlet Women* by Sherry Thomas

Set during a time when women were told to sit down and be silent, Charlotte Holmes saves herself from societal ruin and then, using her inquisitive mind to solve deep mysteries, works to save others. It was a thoroughly engaging read that took me away from the real world for a while.

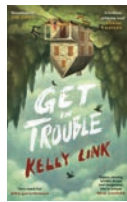

— Chantelle Phillips, assistant director and Newport Branch manager

#### *Babylon Berlin* by Volker Kutscher

It's the first in the Gereon Rath series of detective novels set in the last days of the Weimar Republic. The series has been an international bestseller for over a decade but was only translated into English in 2017. Knowing that the characters are in a doomed society that's headed for the destruction of WW2 adds something to it that makes it better than your typical noir detective story, but it's still light enough to be an escape from the everyday.

— David Anderson, Cold Spring Branch manager

#### *Get in Trouble* by Kelly Link

This collection of speculative fiction features short stories that are imaginative, strange and sometimes eerie. These stories are a great way to drift away to another world for a while. Since they're short, you can finish one in a single sitting without getting too sunburnt!

— Katherine Sallee, patron services assistant, Cold Spring Branch

#### *Shipped* by Angie Hockman

If you are missing the cruise lifestyle once again this summer, jump aboard with this book and head to the Galápagos islands! It features witty and funny banter between two co-workers that never expected to even like each other, let alone fall in love!

— Morgan Lockard, adult/teen services librarian, Carrico/Fort Thomas Branch

## Wild About Books!, *continued from the cover*

Summer Reading is here – and it's jam-packed with fun activities and giveaways throughout June and July!

Crawl, slither, soar or dive into the library's Summer Reading program. With the theme Wild About Books, this year is all about animals and habitats they call home.

There's something for everyone in the family – from dreaming up a fantasy zoo to drive-in movies featuring everyone's favorite hedgehog Sonic to creating animal shadow puppets and learning how to keep our oceans clean.

Track your reading with the Beanstack app or a paper log for the chance to win awesome

prizes big and small. Register online at [www.cc-pl.org/beanstack](http://www.cc-pl.org/beanstack) or at your favorite branch, where you can pick up a log. Here's the lowdown on what to expect:

- **Adults:** Receive an entry for weekly gift card drawings at each branch every time you check out. Four reading prompts will be posted each week on the Beanstack app. Finish one to earn an entry for the grand prize – a \$100 Kroger gift card.
- **Teens:** Read five hours to enter weekly drawings to score prizes. Read 30 hours to win a book and one entry for the grand prize – a Nintendo Switch Lite.
- **Children:** Receive a small prize and one entry for the grand prize for every 4 hours read across formats; books, audiobooks, comics, being read to and reading by yourself

all count toward the goal. The grand prize is a six-month subscription to KiwiCo (STEAM & science kits for kids).
