- Goal of Family Resource Centers is to minimize factors outside the classroom that keep kids from learning.
- Need is great. One hundred or more pairs of underwear and socks are given out every month at schools to children in need.
- Children need underwear and socks at school for a variety of reasons, including accidents, illness, items not available at home, inability of family to wash clothes regularly, homelessness, children who dress themselves inappropriately, family issues, etc.

ADDITIONAL INFORMATION:

- A video clip from our website, available at <https://www.cc-pl.org/drop-your-drawers>, shows interviews with:
 - Tracy Gentrup-Ruebusch - Family Resource Center Coordinator at Lincoln Elementary School
 - Georgia Harris – Youth Services Coordinator at Dayton High School
 - Lynlee Hertenberg - Family Resource Center Coordinator at Grant’s Lick Elementary and Reiley Elementary
- A person receives an “I Dropped My Drawers at the Library” sticker when donating and will be recognized at the library.
- This is the sixth year of the Drop Your Drawers campaign. The 2019 campaign raised 10,612 pairs of underwear and socks. The campaign was paused in 2020 due to the COVID-19 pandemic.
