PURPOSE:

- Educate public about a real, often overlooked, need in our schools. Being able to provide new underwear and socks will help keep children in the classroom.
- The goal of Family Resource Centers is to minimize factors outside the classroom that keep kids from learning.
- The need is great. One hundred or more pairs of underwear and socks are given out every month at schools to children in need.
- Children need underwear and socks at school for a variety of reasons, including accidents, illness, items not available at home, inability of family to wash clothes regularly, homelessness, children who dress themselves inappropriately, family issues, etc.

ADDITIONAL INFORMATION:

- A video clip from our website, available at <https://www.cc-pl.org/drop-your-drawers>, shows interviews with:
 - Tracy Gentrup-Ruebusch - Family Resource Center Coordinator at Lincoln Elementary School
 - Georgia Harris – Youth Services Coordinator at Dayton High School
 - Lynlee Crowder - Family Resource Center Coordinator at Grant’s Lick Elementary and Reiley Elementary
- Donors receive an “I Dropped My Drawers at the Library” sticker and will be recognized at the library.
- This is the eighth year of the Drop Your Drawers campaign. The 2022 campaign raised 9,106 pairs of underwear and socks.
