RULES TO WIN

1. Check off completed activities on the reverse side. Activities can be repeated (i.e., if you read every day, you can log it multiple times). **Log one activity per day only.**
2. Once five activities are checked off, you're finished! Way to go!
3. Turn in the completed log at any branch to win a book and be entered into a weekly themed prize drawing.
4. Keep going! Pick up another reading log at any branch or download one at cc-pl.org/summer-reading.

Weekly themed prize drawings are held per branch and age group—adults, teens and children. Interested in one theme over the other? You can save your entries for that week!
